This architectural section drawing illustrates a building complex with multiple levels and elevations. The drawing includes the following data points:

- OK. +3.8m**: Elevation of the first building's roofline.
- OK. +5m**: Elevation of the second building's roofline.
- OK. +2.8m**: Elevation of a central structure.
- OK. +3.8m**: Elevation of a structure on the right side.
- OK. +6.8m**: Elevation of a tall, narrow structure.
- OK. +7.8m**: Elevation of the highest point of the tall structure.
- OK. +3.0m**: Elevation of a structure below the tall one.
- OK. +1.0m**: Elevation of a structure at the base of the tall one.
- +400.90m**: Elevation of the ground level on the left.
- +399.90m**: Elevation of the ground level in the center.
- +400.70m**: Elevation of the ground level on the right.
- +402.19m**: Elevation of the ground level on the far right.
- 70.00m**: Total length of the building complex.

The drawing also shows a series of trees in the background and a cross-section of the ground on the right side.

davon:

Platz für mehr als 70 Betreuungspersonen und mehr als 100 Kinder.

Ein Zitat aus unserer Umfrage:

„FLIEGEN IST SCHÖN!“
