Invitation to submit a tender

Dear Sir/Madam,

We intend to award the services described in the enclosed procurement documents to a legal entity registered in Kyrgyzstan. Please note that this is a public invitation to tender, and therefore no negotiations will take place.

Please note that when you submit a tender, the tender is binding until the expiry of the deadline (31/08/2026). The contract will come into force upon notification of its award within the deadline.

The tender documents, comprising the following, are to be submitted in their entirety:

- Technical offer: This should be prepared in accordance with the requirements set out in the Terms of Reference (ToR), clearly demonstrating the tenderer's understanding of the assignment,
- CVs of all experts outlined in the ToR, using the provided CV template,
- Financial offer in the format provided: When preparing the financial offer, you must adhere to the requirements of the specification of inputs as set out in the Terms of Reference,
- Completed Self-Declaration of Eligibility, including the supporting references required under the declaration.

The offers received will be subject to a technical assessment based on the CVs and the concept in accordance with the annexed technical assessment grid. The technical offer is weighed at 70% and the financial offer at 30%.

Planned schedule for the rest of the procurement procedure:

Deadline for clarification questions to be submitted in English via the DTVP platform	22.06.2026
Publication of responses to clarification questions	25.06.2026
Deadline for tender submission	12.07.2026
Expected contract award and information about the result of the evaluation	24.07.2026
End of the binding period (i.e. tenders no longer legally binding)	31.08.2026
Expected commencement of service delivery	01.08.2026

Submission of offers

We invite interested bidders to submit their **technical and financial offers including the relevant CVs as well as the self-declaration of eligibility, including the references, by 12 July 2026** via the DTVP platform (<https://en.dtv.de/>).

Additional Documents

- Financial offer template
- Self-Declaration of Eligibility Template
- Terms of Reference
- Assessment grid for the technical evaluation of tenders
- Results Framework of SYMBIOTIC project
- Project Governance Structure of SYMBIOTIC project
