

The floor plan shows a building with 9 columns and 2 levels. The ground floor (0.00) features a central staircase (Aufzug) and a large open area. The first floor (1.00) consists of several rooms of varying sizes. The plan includes detailed dimensions for columns, walls, and room areas. Labels indicate the use of C25/30 concrete and a height of 20 cm for the walls. The staircase is located between columns 3 and 4.
