Figure 1: A line graph showing the percentage of respondents who believe that the use of force is justified in various circumstances. The x-axis represents the percentage of respondents who believe that the use of force is justified, ranging from 0% to 100%. The y-axis represents the percentage of respondents who believe that the use of force is justified, ranging from 0% to 100%. The graph shows that the majority of respondents believe that the use of force is justified in all circumstances, with the highest percentage of respondents (around 80%) believing that the use of force is justified in all circumstances. The percentage of respondents who believe that the use of force is justified in some circumstances is around 15%, and the percentage of respondents who believe that the use of force is never justified is around 5%.
