

Deckentypen

-
- The floor plan shows a central corridor system with various rooms including classrooms (Klasse Sek I), multi-purpose rooms (Mehrzweckfläche), instruction rooms (Instruktion), and specialized rooms like a library (Bibliothek) and a computer lab (Computerlabor). The plan is color-coded: green for classrooms, blue for multi-purpose rooms, yellow for instruction rooms, and purple for specialized rooms. The layout is bounded by grid lines A-K and 1-9. The total area is 105 m².
