Construction measure Expert on EU accession in the Western Balkans		
Service DEval is looking for an expert for participating in the evaluation as a specialist for EU accession processes in the Western Balkans. The objective of this consultancy is to support the DEval team in evaluating the effectiveness, impact and sustainability of the progress made towards EU accession in Serbia, as well as the relevant contribution of German development cooperation to this progress. The expert will be involved in desk research, preparing data collection, conducting own data collection in virtual interviews, and data analysis as well as supporting the elaboration of conclusions and recommendations. For further details, please refer to the attached terms of reference.		

Name, legal representative, contact details of the company declaring itself compliant

Declaration of compliance by other companies

I/We undertake vis-à-vis the contracting authority, in the event of the contract being awarded to the above-mentioned candidate/bidder, to be available to the latter with the necessary capacities of my/our company for the following service(s).

OZ/scope of the services	Description of the (partial) services

(Place, date, signature)

The candidate/tenderer claims the economic and financial capacity of my/our company as proof of its suitability. I/We undertake vis-à-vis the contracting authority to be jointly liable with the above-mentioned candidate/tenderer for the execution of the contract if the contract is awarded to the latter.[1]

(Place, date, signature)

[1] This declaration must be submitted if it is required by the conditions of participation.

N.B.: If declarations of compliance are submitted as copies or faxes, the awarding authority reserves the right to request the originals.
