Designation of the construction work:

Measure number	Construction measure Expert on EU accession in the Western Balkans
Award number 2026_0239_EVA4	Service DEval is looking for an expert for participating in the evaluation as a specialist for EU accession processes in the Western Balkans. The objective of this consultancy is to support the DEval team in evaluating the effectiveness, impact and sustainability of the progress made towards EU accession in Serbia, as well as the relevant contribution of German development cooperation to this progress. The expert will be involved in desk research, preparing data collection, conducting own data collection in virtual interviews, and data analysis as well as supporting the elaboration of conclusions and recommendations. For further details, please refer to the attached terms of reference.

Declaration by the tenderer/consortium
