Consultant Team in Namibia		
Service As part of the evaluation, a case study will be conducted in Namibia, provisionally scheduled during the period from September to October 2026. The field phase is an important step in the evaluation process: it serves to involve stakeholders in the partner country and collect data on site. To support this, a local consultant team will be hired to assist with the content and organisational preparation, the collection of data on site, the evaluation of data and the follow-up to the case study. The service provision shall be from 01.07.2026 until 31.03.2028. Please see the attached Terms of Reference for more details.
