
Declaration of independence

In the context of the above-mentioned tendering procedure, I/we hereby declare that I/we have the necessary independence required for the expert assessment sought.

In particular, I/we shall execute the required services personally, conscientiously, independently, impartially and without instructions from any third parties.

While exercising my/our other activities outside DEval, I/we shall

- a) not participate in the same matter regarding the contents of the services associated with the above-mentioned tendering procedure*
- b) not be associated organizationally, commercially, in terms of capital or staff in any way with third parties whose influence could affect my/our expert assessment for DEval.*

I/we shall safeguard against unauthorized disclosure the operating or business secrets that become known to me/us in connection with my/our expert assessment for DEval.
