

Declaration to protect against the Scientology organisation

I/We hereby undertake to ensure

that, in the event of being awarded the contract, no person whom I/we deploy for the performance of the contract shall apply, teach or otherwise disseminate the technology of L. Ron Hubbard.

I/We are aware

- that this declaration forms an integral part of our offer and will, in the event of a successful bid, become an integral part of the contract.
- that, in the event of the aforementioned undertaking not being adhered to, DEval is entitled to terminate the contract for good cause without observing the period of notice. This entitlement is without prejudice to any other rights.
