Recording and Reproduction of Tomb Walls Invitation to Submit a Tender

Dear Sir or Madam,

It is intended to award the services described in the attached specification through a public tender procedure in accordance with the German Unterschwellenvergabeordnung (UVgO). The enclosed application, procurement, and contractual conditions shall apply.

Tender submission deadline: 29 June 2026, 10:00 a.m.

Award and bid validity deadline: 15 July 2026

Execution period:

Expected commencement: 15 July 2026

Contract end date: 31 December 2026

Contract duration: 6 months from contract award

Place of performance

Additional / Deviating Information:

Data acquisition will be carried out in the rock-cut tombs of Qubbet el-Hawa North on the west bank of Aswan, Egypt. Further processing and analysis of the collected data will take place at the contractor's premises. For the execution of the data acquisition, two on-site visits to Aswan are recommended.

Please note the list of required supporting documents to be submitted at the end of this letter.

Alternative tenders are not permitted.

Your tender may be submitted electronically in text form.

Requests for additional information regarding the procurement documents and this invitation to tender must be submitted to the contracting authority named above no later than 15 June 2026.

Until the tender submission deadline, you may withdraw your tender electronically via the procurement platform "DTVP". After that date, your tender shall remain binding until the expiry of the bid validity period.

The language of the procurement procedure is German. If any supporting document in a foreign language is submitted as part of a request to participate or a tender submission, a certified translation of the respective document shall be provided in addition to the original document. The English-language documents are not official translations and are therefore provided without warranty.
