 <p>The floor plan shows a complex building layout with various rooms, corridors, and service areas. A specific section of the plan, located in the lower right quadrant, is highlighted in red. This red section appears to be a large, open-plan area, possibly a hall or a large room, with some internal partitions. The rest of the plan is in black and white, showing detailed architectural features like doors, windows, and furniture.</p>	 <p>A simple compass rose is shown, consisting of a circle divided into four quadrants by a vertical and a horizontal line. The letter 'N' is placed at the top of the vertical line, indicating that North is towards the top of the page.</p>
